AMEND Senate Joint Resolution No. 596* <HB>

by deleting the second resolving clause of the introduced resolution in its entirety and substituting instead the following language:

BE IT FURTHER RESOLVED, that all prescribers and pharmacists should remain aware of the potential implications that generic or therapeutic substitution of drugs and drug products may have on epileptic persons and prescribers should note whenever prescribing a drug or drug product, and pharmacists when dispensing a drug or drug product, that generic or therapeutic substitution as provided under Tennessee law may not be appropriate for their patient.
